

Licensed Healthcare Communicator

If you dream of working in a rewarding and educational environment where your patient care and problem solving skills are challenged then Alliance Healthcare Information is the place for you.

We are interested in meeting licensed healthcare professionals such as Nurses, Physicians, and Pharmacists for a variety of medical specialties. As part of our team, you will share your abundant medical knowledge with patients and other healthcare professionals in a comfortable, professional office environment.

Our professional atmosphere and pleasant working conditions offer a unique opportunity for you to apply your specialized skills. We're recipients of the Best Place to Work in Pennsylvania award!

Our employees are the reason for our success. Alliance is dedicated to selecting and retaining talented, motivated and results-oriented people. Alliance's open, collaborative atmosphere and flexible, responsive management team nurture and promote new ideas. We're big on quality and results.

The normal hours of operation are Monday - Friday with 8 hour shifts between 8 AM - 8 PM. We work with you to provide a predictable schedule that allows for planned personal time.

You must have a valid PA or NJ license to apply. Complete training will be provided. Our client provides frequent follow up sessions to keep you aware of the latest developments. We invest in your success.

This exceptional opportunity is offered with a competitive benefits package for full time employees. Free CEUs are also available.
